

Morningstar.co.uk™ Content Packages for Financial Institutions

Content Packages

- ▶ Education
- ▶ Equities Investor
- ▶ Fund Investor
- ▶ Markets and Economy
- ▶ Investing for Retirement

Investors turn to Morningstar.co.uk for our independent voice, investment ideas, and focus on education. Articles and videos originate from our dedicated team of global analysts and editors, providing carefully crafted original content and commentary from industry leaders. Morningstar delivers all of this with an objective in mind: to help investors meet their financial goals.

Enhance Your Offering With Morningstar Content

Financial institutions can obtain our content to bring Morningstar's valuable insights to their clients. We work with institutions to offer flexible display formats, equipping them with the articles, videos and commentary that investors want. Morningstar.co.uk is a go-to investment website for 290,000 registered users, logging approximately 3 million page views per month.

Investor Insights for Your Goals

Whatever the goal, Morningstar.co.uk is a reliable source for in-depth commentary and original research.

We empower investors to make informed decisions, whether they are investing for the first time, looking for opportunities in the market, or saving for retirement. Financial institutions can acquire content packages that focus on education, equities, funds, markets and the economy, and investing for retirement curated by our accomplished analysts and editors.

Backed by an Accomplished Team

Supported by the expertise of 15 site editors and more than 200 analysts worldwide, the U.K.-based team produces approximately 25 articles and videos along with 20 new and updated fund research reports per week. Morningstar.co.uk offers a valuable outlook on the global and regional markets from a local perspective to educate, inform, and guide investors.

Get Started Today

Morningstar offers financial institutions the choice of five content packages. Please see the back page for more details.

Morningstar.co.uk

The screenshot displays the Morningstar.co.uk website interface. At the top, there's a navigation bar with 'Equity Research & Insights'. Below it, a featured article titled '3 Undervalued UK Stocks' is highlighted. The main content area is divided into several sections: 'Articles: All Morningstar Articles & Videos' with a search bar and a list of articles; 'Morningstar Insights' with a grid of categories like 'All Morningstar Articles & Videos', 'Bond Investing', and 'Economic Insights'; and a 'Video Centre' featuring a video player for 'Preparing for Rising Interest Rates' by Holly Cook. On the right side, there's a sidebar with 'Latest' news items, including '3 Bond Investing Tips' and 'Mark Mobius: 3 Emerging Markets to Watch'.
